

## Joint Call for Participation

### 22nd International Conference on Management of Data (COMAD) 2017 & 4th ACM IKDD Conference on Data Sciences (CoDS) 2017

**Dates:** March 8-11, 2017 (COMAD: March 8-10, CODS: March 9-11)

**Venue:** IIT Madras Campus, Chennai, India

<http://comad.in/comad2017/>

<https://ikdd.acm.org/cods2017/>

The CSI International Conference on Management of Data (COMAD), run by the Computer Society of India Special Interest Group on Data (CSI-SIGDATA) is India's premier international conference on data management, covering databases, data mining/ML and information retrieval.

The ACM IKDD Conference on on Data Sciences is hosted by the ACM India Special Interest group on Knowledge Discovery and Data Mining (ACM-IKDD) is now in its 4th edition, and is the premier conference on data sciences in India.

COMAD 2017 and CoDS 2017 are co-located, and have two days of overlap. The conferences have a common registration, and attendees are free to attend both or either conference at the same cost.

#### **Keynote speakers (across both conferences) include:**

- Ramesh Bhashyam (Teradata Fellow and CTO Teradata India)
- Lise Getoor (Univ of California, Santa Cruz)
- Srinu Parthasarathy (Ohio State Univ.)
- Soumen Chakrabarti (IIT Bombay)

#### **Industry Session (joint with COMAD and CODS):**

Keynote talk by Sriram Raghavan (Director IBM Research India), and 6 presentations from industry

#### **Tutorials (COMAD):**

- Large-scale Knowledge Harvesting by Partha Pratim Talukdar, IISc
- Machine Learning in the Real World, by Rajeev Rastogi, Amazon
- Social Networks, by Anirban Dasgupta, IIT Gandhinagar

**Research Papers, etc:** 13 research papers, 10 posters, 4 demos, 10 invited talks (COMAD+CODS)

**Registration Information:** Registration for both the conferences (COMAD 2017 and CODS 2017) is common, and the fee structure is as below:

	Up to Mar 1, 2017 (Early Bird)		After Mar 1, 2017 (Regular)
